Reference: C00422964, October Quarterly Report (7/1/07 - 9/30/07)

Dear Ms. Hough,

This letter is in response to your request for additional information regarding the above referenced report submitted by the Donna Edwards for Congress Campaign Committee. The notice requests information essential to full public disclosure of our federal election campaign finances. We acknowledge that our October Quarterly report did not provide occupation and employer information for 6 individuals contributing more than \$200 in the current election cycle. We have been successful at collecting the required information from 2 of the 6 contributors in question and have sent letters requesting the information to the remaining 4. An amended report providing the information we have to date is forthcoming. We will submit the remaining information in subsequent filings as it becomes available.

If you have additional questions regarding this matter, please do not hesitate to contact me.

Regards,

Janice Edwards, Treasurer
Donna Edwards for Congress
